Looking for a souvenir, or just looking to be amazed by the wondrous wares on display? Our Dealer's Den is full of clever critters with many exciting creations ready to go home with you! There's bound to be something for everybody amidst all the colorful booths and smiling faces, so stop by while the sun's up!

Rumors abound of a secret gathering, a shady Night Market that takes place in the Alley near the Dealer's Den after the sun has gone down. Under cover of night, vendors gather to hawk their wares to a more specialized crowd, selling various sundries to the discerning adult customer. Drop by if you dare! No secret password is required for entry, although all that visit the Night Market must be at least 18 years old.

# A Letter from the Con Chair

From my first FurSquared in 2014, I knew it would become an easy favorite of mine. Not only was it local, but there was just a different vibe that I couldn't quite pinpoint. There was a whimsy. It felt like a party surrounded by friends, and the staff was there to have a good time too.

Attendance was relatively small, and it was cozy. Since then, F2 has only continued to grow in my heart. 10 years. A whole DECADE of silliness, in-jokes, and fun times. Of charity, camaraderie, and cheese curds.

Of what continues to connect us at the core – an appreciation for anthropomorphic animals. Of course, with friends bringing friends who, in turn, bring more friends, attendance has grown quite a bit as well: From 415 attendees in 2014, to 1362 in 2023. We've outgrown our place in Brookfield: our home from the very start.

Growth brings change. Change brings uncertainty. We find ourselves: In a new hotel. In a new city. In a whole new environment.

With a sense of scale greater than we've ever experienced. Into the new and unknown, pressed to find new ways to prepare for both the event ahead and for those in the future, there's something strong that keeps us going.

Uncertainty has sparked in each of us the creative and inventive spirit to pull through; stronger still with the blaze each of you holds.

Uncertainty brings excitement.

Excitement brings Innovation.

Thank you for all that you bring and all that you are.

## Our History

A long time ago in a land not so far away known as Wauke-sha, Bit the Ferret would host a Pride party every year at his home, and there would be a field trip to the Milwaukee Pride event itself. Always wonderful fun, always meeting new people! One year, we had over 100 people at his house, which, while amazing, we had outgrown the venue as they say. Thus, Alkali had an idea, and sat down Bit, Draggore, Xanni, John the Human, Nemi, Kataze, and Maci, to pitch to us what ultimately became the first ever FurSquared in 2014! Our theme was The End Is Just The Beginning, there was a blizzard, and we truly had no idea we'd still be doing this, heading into our 10th event.

## Guests of Honor

**RHUBARB the BEAR** in his human form, is a freelance composer, music director, jingle producer, studio musician, and multi-instrumentalist. He serves as an arranger/orchestrator for The Haygoods and Casandre: Voice Of An Angel (both in Branson, MO), the Jazzaar Festival of Aarau, Switzerland; and the international Circus Vargas, and his music has been heard as far away as Disney Tokyo. He also plays whatever instrument is most needed in any given show at the Winter Park Playhouse in Orlando, FL, where his husband Cosmik is Music Director.

In 2010 his stage musical Julie Bunny Must Die appeared at the Orlando International Fringe Festival; to his knowledge it was the first time a mainstream musical featured a character

("LaserWolf") who was a member of the furry fandom. He then attended his first con (MFF 2010) to see how accurate his portrayal was. Within two years Julie Bunny would be performed at Wild Nights, Oklacon, and

Megaplex; the following year Megaplex also hosted his hit Fringe musical Fosgate: Ferret Loan Officer, an anthropomorphic spoof of Shakespeare's The Merchant Of Venice. Currently he is carefully finishing up his rock opera Ony, The Runaway Circus Bear, which has already been performed live at Mephit Fur Meet, Eurofurence, and Nordic Fuzz Con, despite Rhubarb's initial plan to make a recording and leave it at that.

**COSMIK** has been entertaining the fandom since his first con in 2011, performing variously as a solo act, a duo with his husband, Rhubarb the Bear, a founding member of Bandthro, and a DJ. He has entertained at Anthrocon, Eurofurence, Furry Fiesta, Confuzzled, Megaplex, Nordic Fuzz Con, Mephit Fur Meet, Just Fur the Weekend, Furvester, Califur and more. His dead dog pub sing-alongs at Anthrocon are legendary. He currently serves on the board of directors at Just Fur the Weekend ([www.jftw.org](http://www.jftw.org)) and the Events staff at Anthrocon. In all his spare time, Cosmik has been recording his debut CD, which he usually plans to release "later this year." (In actuality, a CD is forthcoming sometime in early 2025.)

In his human form, Cosmik is a freelance music director, accompanist, vocal coach, actor and DJ whose professional career spans over 50 years and hundreds of shows. He is currently Music Director at the Winter Park Playhouse, in Orlando, FL. At Walt Disney World you might catch him performing at the Rose

& Crown Pub and Dining Room, the Hoop Dee Doo Revue or the Grand Floridian Resort. He has also sung with the Dapper Dans of Main Street, and spent several holiday seasons as Grandpa Who in Universal Studios' Grinchmas Holiday Spectacular. He performed his award-winning cabaret I'm Just Not That Gay at Orlando and KC Fringe Festivals and at Don't Tell Mama in New York. He greatly enjoys baking, sewing, travel, crosswords and language learning.
